

## Van Buren Public Transit Transit Rider Card Program

Van Buren Public Transit is pleased to offer the Transit Rider Card Program to any and all qualified Van Buren County residents. This card is offered for free and has two great benefits:

1. Any Van Buren County resident that is a Veteran or a Senior (60+) can ride free of charge on all Van Buren Public Transit buses, with the exception of contract and special service routes. This includes all Loop and Dial-A-Ride services, as well as Reservation and Out-Of-County rides for medical reasons. All Dial-A-Ride, Reservation and Out-Of-County rides must be scheduled in advance.
2. Van Buren Public Transit participates in the MDOT Universal Reduced Fare Card program, which allows seniors (60+) and persons with disabilities to ride on other participating transit systems at that system's reduced fare without having to apply separately for the reduced fare. Simply show your Transit Rider card to the driver to receive the reduced fare. Currently there are 30 participating counties in Michigan.

To obtain a Transit Rider Card:

- Complete the application
- Provide a copy of proof of Veteran status, age, and/or disability
- Mail, email, or fax the above documents to Van Buren Public Transit. Contact information is shown at the top of the application.
