

Instructions to Receive NRC Correspondence Through LISTSERV:

If you wish to receive NRC correspondence directly, such as inspection reports, you can subscribe through the NRC's electronic e-mail distribution system, ListServ, available at:

Operating Reactors (Palisades can be found here until they shutdown):

<https://www.nrc.gov/public-involve/listserver/plants-by-region.html>

Decommissioning Reactors: <https://www.nrc.gov/public-involve/listserver/decomm-uranium-recovery-correspondence.html>

Official agency records continue to be available in the NRC's Agencywide Documents Access and Management System (ADAMS).

Individuals may subscribe to receive correspondences through the following steps:

- (1) follow the link provided above which will take you to the NRC's public website page for subscribing to e-mail distribution through ListServ;
- (2) enter an e-mail address for which you want to receive documents through ListServ;
- (3) scroll through the webpage and check the box(es) to select the facility or facilities of interest, select as many as desired; and
- (4) click on "Subscribe" at the bottom of the page.

Once subscribed, you will receive an e-mail confirmation from the NRC. Included in the e-mail will be instructions for how to unsubscribe should you wish to change your subscription.
